

User Roles Explanation

- Administrator: has full access to the website dashboard including the page builder, and can also add users.
- Editor: somebody who can publish and manage posts including the posts of other users.
- Author: somebody who can publish and manage their own posts.
- Contributor: somebody who can write and manage their own posts but cannot publish them.
- Subscriber: somebody who can only manage their profile. (This role **shouldn't** be used for any user since they won't be able to create or manage anything on the website).
